MC 96-23-1

Sir,

I have the honour to state that considering the great potentialities of the Sewage Farm here and the possibilities of its developments when worked on scientific lines, the Municipal Council in their meeting held on the 27th October 1923, resolved that the management of the Sewage Farm be transferred to the Gardens Departments as per terms of the memorandum (copy enclosed) submitted by Mr.G.H. Krumbiegal, Superintendent, Government Botanical Gardens, with whom the members of the Managing Committee had conferred and come to an understanding. A copy of Council's Resolution No.IX is herewith submitted for reference.

I have therefore to request that you may be so good as to obtain the formal approval of Government to the transfer of the management of the Farm to the Gardens Department with effect from 1st July 1923.

I have the honour to be,
Sir,
Your most obedient servant,
C. Srikantesvara Aiyar
President.

MYSORE SEWAGE FARM.

The Sewage Farm will be taken into charge by the Garden Department from 1st July 1923.

Against 10 acres, at present under cultivation, immediate steps will be taken to extend the area for cultivation to 40 acres by levelling new land, forming roads and to laying out temporary water channels, etc. The area will then be allocated as under.

1.	Vegetables.	6 Acres.
2.	Fruit experimental Nursery.	7 "
3.	Avenue Nursery.	4 "
4.	Beetle-Vine Garden.	23 "
		40 Acres.

The funds to be placed at the disposal of this Department amount to Rs.5,000.

The following Establishment will be maintained:-

	Duty allowance to Avenue Inspector.		
		at Rs.40	40
1.	Foreman at Rs.30		30
1.	Maistry at Rs.23		23
2.	Ploughman at Rs.12		24
6.	Males at Rs.11		66
1.	Watchman at Rs.10		10
11	Men.		193 per month or

Establishment.	2,316	per annum.
Temporary Labour.	1,764	"
Contingent expenses.	920	"
Total.	5,000	

All the income from the produce will be credited to the Municipality. But as the 30 acres of new extension for the future profitable working of the Farm is of first importance most of the labour will have to be devoted to this and the immediate income will not be more but rather less than at present.

The present Staff will be absorbed in the above schedule of Establishment, excepting that the Avenue Inspector will be placed in full charge of the Farm as Manager on the Salary and allowance of that post while the Foreman on Rs.30 will be deputed solely to the Avenue work and the conveyance allowance attached to it will be drawn by him. Both men can then devote their full time to their respective works.

Sd/- G.H. Krumbiegel.

Government Gardens.
